Measuring form for Lower Limb - Complete one form per leg

Each garment comes with 1 x ReadyWrap® Liner

How to measure the leg: Measure the leg whilst patient is standing, if possible.

Write your measurement results in the box adjacent to measuring point

Please note

c = circumference, L = length

All length measurements should be longitudinal and should follow body contours. All measurements to be in centimetres.

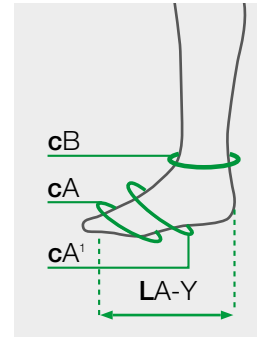

Patients Name: _____ Clinicians Name: _____

Date of measuring: _____ Contact Number: _____

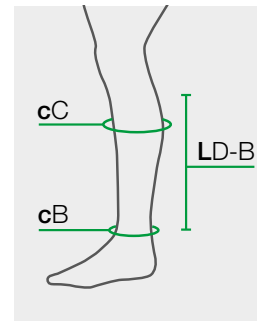

Delivery: to orderer directly to patient
